Friends of the College

The following individuals and organizations made contributions of \$100 or more to LeTourneau College during 1986-87. We are deeply appreciative of each and every gift, and for the many friends who make it possible to carry on the work of educating Christian young people to take their places in positions of leadership. Rest assured that your gifts are used in a manner consistent with the sacrifice that accompanies many of them. May the Lord add to you abundantly more than you can ask or imagine during the coming year.

President's Circle

Initiated in 1987, members of the President's Circle contribute \$1,000 or more per year to the Annual Fund.

Dr. Leon Lovett, center, Systems Manager of the Research and Advanced Development Institute, visits with Coit Friction Products President Nick Vandagriff and Chas Turner, Reel Estate Officer of MBank, at a workshop October 26 on the campus.

Robert Flynn, author of five books and Distinguished Professor of Writing at Trinity University, San Antonio, Tex., visits with a student in Dr. Martin Batt's English class.

Grady Wilson, vice president of the Billy Graham Evangelistic Association and a recent appointee to the LeTourneau College Board of Trustees, died October 30 in Charlotte, North Carolina of congestive heart failure.
